**THANK YOU**

Thank you to Mr. Rick Salmonson for organizing the trip to Wisconsin Dells in June.

Thank you to Mr. Lairy Normand and Mr. Al Kern for spending the week at Camp Phillips with the Scouts.

**PHOTOS**

Paul Buchmann will be organizing the photo section of the Troop 13 website. If you have any photos you would like to add, please email them to: [photos@cv-troop13.com](mailto:photos@cv-troop13.com)

We have a limited amount of web space available to us, so we may not be able to have a large photo section.

**HELP NEEDED**

Please consider helping the Scouts of Troop 13 by volunteering to organize an event such as a campout, fund raiser, community service project, teaching a merit badge, or other activity. We will have plenty of opportunities for you to volunteer at the upcoming planning meetings.

The Troop 13 leaders depend on the extra help, not only to run these events smoothly, but also so they can concentrate on other areas of Scouting.

You will be asked to report to the Troop 13 committee the status of the event. The Troop 13 committee meets monthly.

**EQUIPMENT LIST**

The time is now to let the Troop 13 committee know what equipment you feel the Scouts need. We have some money available in our account from the bike ride and other fund raisers for new equipment and to repair items, and will need to make sure these items get into the budget for this year.

Please bring your list to the first planning meeting, (August 21) or let one of the leaders know.

**NEWSLETTERS**

The Troop 13 newsletter is published monthly by the Committee Chair, Mr. Michael Buchmann. If you have any items to place in the newsletter, please contact him or send an email to: [newsletter@cv-troop13.com](mailto:newsletter@cv-troop13.com).

The newsletter should arrive at your house a few days before the first Monday of the month.

Newsletters are also available on the Troop 13 website: [www.cv-troop13.com](http://www.cv-troop13.com) and will be posted as soon as they are complete.

If you move, please make sure you update your address with the Troop 13 leaders.

**EMAIL**

As part of our web site, we will have the ability to have Troop 13 email addresses. I will be requesting email addresses at the planning meetings and plan to have an email address for each scout and leader.
