

Dear Troop 13 scouts and parents:

Time to sign-up for summer camp! Enclosed is a packet explaining the summer camp program at Camp Phillips such as merit badges you can take and a packing list. Please read the information before filling out the required forms. There will be a summer camp meeting on **Monday, July 13** at 6:30 at Trinity United Methodist Church.

The first form you will need to fill out is the registration form. This form is due **March 30, 2009**. This will reserve your spot at camp. Along with this form you will need to pay \$193.50 for camp. You may use money in your Individual Scout Account (ISA) to pay for all or some of camp. Please see Mr. Salmonson to find out how much you have in your ISA. You can pay this amount with two checks if you would like; the first check must be at least \$50.00 to cover the down payment. The second check for the remaining amount will be held until April 20. Please read the rules on camp refunds.

If you do not register by the deadline, you may not be able to get the discounts available for early registration and will only be able to register if space is available at camp.

If you are unable to pay for all of camp, please see Mr. Buchmann or Mr. Normand *as soon as possible*. There are several things we can do to get you to camp!

Other forms which need to be filled out (Please return all forms as soon as possible):

- Merit Badge Selection: Please circle or highlight the merit badges you wish to take at summer camp. **Write your name on this form!** This form is **due June 1!**
- Permission Form: **Due July 13!**
- Authorization for Emergency Medical Treatment Form: **Due July 13!**
- Medical Class 1 & 2 Form: This form requires the signature of a parent and doctor. You can use your form from last year if it has been less than two years since your physical. **Due July 13!**

We are required to have two adults at camp at all times. If you would like to spend the week or any part of the week at Camp Phillips with the scouts, please talk to Mr. Normand or Mr. Buchmann. All adults under age 40 attending camp will need a Medical Class 1 & 2 form filled out. All adults over age 40 will need to use a Medical Class 3 form.

All forms and information can be found on our web site ([www.cv-troop13.com](http://www.cv-troop13.com)) in the camping section.

Your cooperation in getting the forms filled out and returned is greatly appreciated. If you have any questions, please contact one of the leaders.
