BSA HISTORICAL MERIT BADGE PROGRAM

Experience the History of Scouting!

As the Boy Scouts of America celebrates 100 years of Scouting in the United States, today's youths will have the opportunity to experience a piece of the past.

The four vintage merit badges that will count toward rank advancement are being released for the centennial year only, giving Boy Scouts a hands-on opportunity to experience the exciting past of the BSA.

Earning these historical merit badges should be more than just earning another merit badge. By reading these merit badge pamphlets and completing the requirements as close to how a Scout of 1910 would have done them will be your true growth experience.

The four merit badges are: * Carpentry * Pathfinding * Signaling * Tracking

For more information and to download requirements and the original 1910 merit badge books, see:
