

Summer Camp Refund

All refund requests must be submitted to the Scout Service Center, not to camp. If a refund is submitted 21 or more days prior to camp - a full refund will be made if the reason is satisfactory (less the deposit if after the deposit deadline). 21-10 days prior to the camping session is 50% of camp fee (Again less the deposit if after the deposit deadline). Less than 10 days prior to camp will not be refunded unless there is a death in the immediate family or there is a medical emergency.

Refunds are issued only for medical and/or family emergencies. All decisions regarding refunds are made by the Council Outdoor Program Committee. If approved refund will be issued after September 1. NO REFUNDS WILL BE CONSIDERED THAT ARE RECEIVED AFTER SEPTEMBER 1.
